RECOMMENDED ITEMS:

- Hand Held Global Positioning Device (GPS), (See Notes)
- Terrain model kit
- Hide kit materials
- Personal camouflage (cobra hood, personal camo netting)
- Personal bug net
- Any item that will aid in the planning or conduct of a patrol (Pre-formatted patrol and/or NATO report formats, THULS manuals, etc)
- Unit SOP (See Notes)
- Personal computer (all students are allowed to bring one. (Note, all homework and products will be conducted on a G-TAC the course will provide you.)
- CAC Card Reader
- Sketch kit
- FEAKit
- Hearing protection

- DUI bag capable of waterproofing serialized equipment inside the ruck.
- Thumb Drive / Hard Drive

NOTES

1. Hand Held Global Positioning Device (GPS), this will not have the capability to connect to additional devices via Bluetooth or through cellular carrier signals. Tablets are welcomed in planning but are restricted if it compromises the requirements listed with GPS's. GPS device must have the capability to accept encryption to be used in a tactical operational environment.
2. Unit SOP's- Students are able to use Unit SOP to justify team actions during the conduct of patrol, however if stated this is your unit SOP students will provide a hard copy to the instructors for approval during the conduct of the course.
3. Non-Standard military boots are acceptable during physical training events and patrolling operations. During the conduct of the Confirmation Brief and while aboard base installations students will be in the appropriate service level utility uniform to include boots.

If you have any questions or concerns regarding the course, please contact one of the POC's listed below and we will answer your questions. We look forward to seeing you at the course.
